Rat Cardiac troponin I (cTn-I) ELISA Kit

Catalog No: #EK12292

SAB Signalway Antibody

Package Size: #EK12292-1 48T #EK12292-2 96T

Orders: order@signalwayantibody.com Support: tech@signalwayantibody.com

Description

Product Name	Rat Cardiac troponin I (cTn-I) ELISA Kit
Brief Description	ELISA Kit
Applications	ELISA
Species Reactivity	Rat (Rattus norvegicus)
Accession No.	P02646
Uniprot	P02646
Storage	The stability of ELISA kit is determined by the loss rate of activity. The loss rate of this kit is less than 5%
Storage	The stability of ELISA kit is determined by the loss rate of activity. The loss rate of this kit is less than 5% within the expiration date under appropriate storage condition.
Storage	, , , , , , , , , , , , , , , , , , , ,
Storage	within the expiration date under appropriate storage condition.
Storage	within the expiration date under appropriate storage condition. The loss rate was determined by accelerated thermal degradation test. Keep the kit at 37C for 4 and 7 days,

Application Details

Detect Range:Request Information
Sensitivity:Request Information
Sample Type:Serum, Plasma, Other biological fluids
Sample Volume: 1-200 μL
Assay Time:1-4.5h
Detection wavelength:450 nm

Product Description

Detection Method:SandwichTest principle:This assay employs a two-site sandwich ELISA to quantitate cTn-l in samples. An antibody specific for cTn-l has been pre-coated onto a microplate. Standards and samples are pipetted into the wells and anycTn-l present is bound by the immobilized antibody. After removing any unbound substances, a biotin-conjugated antibody specific for cTn-l is added to the wells. After washing, Streptavidin conjugated Horseradish Peroxidase (HRP) is added to the wells. Following a wash to remove any unbound avidin-enzyme reagent, a substrate solution is added to the wells and color develops in proportion to the amount of cTn-l bound in the initial step. The color development is stopped and the intensity of the color is measured.

Note: This product is for in vitro research use only
