## TrkB Polyclonal Antibody

Catalog No: #27588

Package Size: #27588-1 50ul #27588-2 100ul

Orders: order@signalwayantibody.com Support: tech@signalwayantibody.com

| Product Name          | TrkB Polyclonal Antibody                                   |  |
|-----------------------|--|--|
| Host Species          | Rabbit   |  |
| Clonality             | Polyclonal   |  |
| Isotype               | IgG  |  |
| Purification          | Affinity purification                                      |  |
| Applications          | WB   |  |
| Species Reactivity    | Human,Rat  |  |
| Immunogen Description | Recombinant fusion protein of human TrkB (NP_001007098.1). |  |
| Other Names           | NTRK2;GP145-TrkB;TRKB;trk-B;TrkB;OBHD                      |  |
| Accession No.         | Uniprot:Q16620GeneID:4915                                  |  |
| Uniprot               | Q16620   |  |
| GeneID                | 4915   |  |
| Calculated MW         | 110kDa   |  |
| SDS-PAGE MW           | 110kDa   |  |
| Formulation           | PBS with 0.02% sodium azide,50% glycerol,pH7.3.            |  |
| Storage               | Store at -20°C. Avoid freeze / thaw cycles.                |  |
|                       |  |  |

## **Application Details**

WB 1:500 - 1:2000

## **Images**

Western blot analysis of extracts of various cell lines, using TrkB Antibody.

## Background

This gene encodes a member of the neurotrophic tyrosine receptor kinase (NTRK) family. This kinase is a membrane-bound receptor that, upon neurotrophin binding, phosphorylates itself and members of the MAPK pathway. Signalling through this kinase leads to cell differentiation. Mutations in this gene have been associated with obesity and mood disorders. Alternative splicing results in multiple transcript variants.

Note: This product is for in vitro research use only
