## Insulin R (phospho Thr1375) Polyclonal Antibody

Catalog No: #13797

SAB Signalway Antibody

Package Size: #13797-1 50ul #13797-2 100ul Orders: order@signalwayantibody.com
Support: tech@signalwayantibody.com

Product NameInsulin R (phospho Thr1375) Polyclonal AntibodyHost SpeciesRabbitPurificationThe antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.ApplicationsWB,IHC-p,IF(paraffin section),ELISASpecies ReactivityHuman,Mouse,RatSpecificityPhospho-Insulin R (T1375) Polyclonal Antibody detects endogenous levels of Insulin R protein only when phosphorylated at T1375.Immunogen DescriptionThe antiserum was produced against synthesized peptide derived from human IR around the phosphorylated is ite of Thr1375. AA range:1331-1380Other NamesINSR; Insulin receptor; IR; CD antigen CD220Accession No.Swiss Prot:P06213GeneID:3643UniprotP06213GeneID3643SDS-PAGE MW130	Description	
Purification The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.  Applications WB,IHC-p,IF(paraffin section),ELISA Species Reactivity Human,Mouse,Rat Specificity Phospho-Insulin R (T1375) Polyclonal Antibody detects endogenous levels of Insulin R protein only when phosphorylated at T1375.  Immunogen Description The antiserum was produced against synthesized peptide derived from human IR around the phosphorylate site of Thr1375. AA range:1331-1380  Other Names INSR; Insulin receptor; IR; CD antigen CD220  Accession No. Swiss Prot:P06213GeneID:3643  Uniprot P06213 GeneID 3643	Product Name	Insulin R (phospho Thr1375) Polyclonal Antibody
immunogen.  Applications WB,IHC-p,IF(paraffin section),ELISA  Species Reactivity Human,Mouse,Rat  Specificity Phospho-Insulin R (T1375) Polyclonal Antibody detects endogenous levels of Insulin R protein only when phosphorylated at T1375.  Immunogen Description The antiserum was produced against synthesized peptide derived from human IR around the phosphorylate site of Thr1375. AA range:1331-1380  Other Names INSR; Insulin receptor; IR; CD antigen CD220  Accession No. Swiss Prot:P06213GeneID:3643  Uniprot P06213  GeneID 3643	Host Species	Rabbit
Applications WB,IHC-p,IF(paraffin section),ELISA  Species Reactivity Human,Mouse,Rat  Specificity Phospho-Insulin R (T1375) Polyclonal Antibody detects endogenous levels of Insulin R protein only when phosphorylated at T1375.  Immunogen Description The antiserum was produced against synthesized peptide derived from human IR around the phosphorylat site of Thr1375. AA range:1331-1380  Other Names INSR; Insulin receptor; IR; CD antigen CD220  Accession No. Swiss Prot:P06213GeneID:3643  Uniprot P06213  GeneID 3643	Purification	The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific
Species Reactivity  Human,Mouse,Rat  Phospho-Insulin R (T1375) Polyclonal Antibody detects endogenous levels of Insulin R protein only when phosphorylated at T1375.  Immunogen Description  The antiserum was produced against synthesized peptide derived from human IR around the phosphorylat site of Thr1375. AA range:1331-1380  Other Names  INSR; Insulin receptor; IR; CD antigen CD220  Accession No.  Swiss Prot:P06213GeneID:3643  Uniprot  P06213  GeneID  3643		immunogen.
Specificity Phospho-Insulin R (T1375) Polyclonal Antibody detects endogenous levels of Insulin R protein only when phosphorylated at T1375.  Immunogen Description The antiserum was produced against synthesized peptide derived from human IR around the phosphorylat site of Thr1375. phosphorylated at T1375.  Immunogen Description The antiserum was produced against synthesized peptide derived from human IR around the phosphorylat site of Thr1375. AA range:1331-1380  Other Names INSR; Insulin receptor; IR; CD antigen CD220  Accession No. Swiss Prot:P06213GeneID:3643  Uniprot P06213  GeneID 3643	Species Reactivity	Human,Mouse,Rat
Immunogen Description The antiserum was produced against synthesized peptide derived from human IR around the phosphorylat site of Thr1375. AA range:1331-1380 Other Names INSR; Insulin receptor; IR; CD antigen CD220 Accession No. Swiss Prot:P06213GeneID:3643 Uniprot P06213 GeneID 3643	Specificity	Phospho-Insulin R (T1375) Polyclonal Antibody detects endogenous levels of Insulin R protein only when
site of Thr1375. AA range:1331-1380  Other Names INSR; Insulin receptor; IR; CD antigen CD220  Accession No. Swiss Prot:P06213GeneID:3643  Uniprot P06213  GeneID 3643		phosphorylated at T1375.
Other Names INSR; Insulin receptor; IR; CD antigen CD220  Accession No. Swiss Prot:P06213GeneID:3643  Uniprot P06213  GeneID 3643	Immunogen Description	The antiserum was produced against synthesized peptide derived from human IR around the phosphorylation
Accession No.         Swiss Prot:P06213GeneID:3643           Uniprot         P06213           GeneID         3643		site of Thr1375. AA range:1331-1380
Uniprot         P06213           GeneID         3643	Other Names	INSR; Insulin receptor; IR; CD antigen CD220
GeneID 3643	Accession No.	Swiss Prot:P06213GeneID:3643
	Uniprot	P06213
SDS-PAGE MW 130	GeneID	3643
	SDS-PAGE MW	130

Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.

## **Application Details**

Western Blot: 1/500 - 1/2000. Immunohistochemistry: 1/100 - 1/300. ELISA: 1/5000. Not yet tested in other applications.

1 mg/ml

-20°C/1

## Background

Concentration

Formulation

Storage

insulin receptor(INSR) Homo sapiens This gene encodes a member of the receptor tyrosine kinase family of proteins. The encoded preproprotein is proteolytically processed to generate alpha and beta subunits that form a heterotetrameric receptor. Binding of insulin or other ligands to this receptor activates the insulin signaling pathway, which regulates glucose uptake and release, as well as the synthesis and storage of carbohydrates, lipids and protein. Mutations in this gene underlie the inherited severe insulin resistance syndromes including type A insulin resistance syndrome, Donohue syndrome and Rabson-Mendenhall syndrome. Alternative splicing results in multiple transcript variants. [provided by RefSeq, Oct 2015],
