

# Human EPRS / Bifunctional glutamate/proline--tRNA ligase ELISA Kit

Catalog No: #EK21094

Orders: [order@signalwayantibody.com](mailto:order@signalwayantibody.com)

Support: [tech@signalwayantibody.com](mailto:tech@signalwayantibody.com)

## Description

|                    |                                                                                                                                                     |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Name       | Human EPRS / Bifunctional glutamate/proline--tRNA ligase ELISA Kit                                                                                  |
| Brief Description  | ELISA Kit                                                                                                                                           |
| Applications       | ELISA                                                                                                                                               |
| Species Reactivity | Human                                                                                                                                               |
| Other Names        | Bifunctional aminoacyl-tRNA synthetase, Cell proliferation-inducing gene 32 protein, Glutamyl-prolyl-tRNA synthetase, GLNS, PARS, QARS, QPRS, PIG32 |
| Accession No.      | Uniprot:P07814                                                                                                                                      |
| Uniprot            | P07814                                                                                                                                              |
| Storage            | 6 months                                                                                                                                            |

## Application Details

Detection Range: 0.156-10ng/ml Assay Type: Sandwich Sensitivity: 0.055ng/ml

## Product Description

Detection Method: sandwich

Note: This product is for in vitro research use only
