

PDGF Receptor b(Ab-751) Antibody

Catalog No: #21219

Package Size: #21219-1 50ul #21219-2 100ul

Orders: order@signalwayantibody.com

Support: tech@signalwayantibody.com

Description

Product Name	PDGF Receptor b(Ab-751) Antibody
Host Species	Rabbit
Clonality	Polyclonal
Purification	Antibodies were produced by immunizing rabbits with synthetic peptide and KLH conjugates. Antibodies were purified by affinity-chromatography using epitope-specific peptide.
Applications	WB
Species Reactivity	Hu Rt
Specificity	The antibody detects endogenous level of total PDGF Receptor b protein.
Immunogen Type	Peptide-KLH
Immunogen Description	Peptide sequence around aa.749~753 (V-D-Y-V-P) derived from Human PDGFRb.
Target Name	PDGF Receptor b
Accession No.	Swiss-Prot: P09619NCBI Protein: NP_002600.1
Uniprot	P09619
GeneID	5159;
Concentration	1.0mg/ml
Formulation	Supplied at 1.0mg/mL in phosphate buffered saline (without Mg ²⁺ and Ca ²⁺), pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.
Storage	Store at -20°C for long term preservation (recommended). Store at 4°C for short term use.

Application Details

Predicted MW: 190kd

Western blotting: 1:500~1:1000

Images

Western blot analysis of extracts from HepG2 cells using PDGF Receptor b(Ab-751) Antibody #21219.

Background

PDGF Receptor b encodes a cell surface tyrosine kinase receptor for members of the platelet-derived growth factor family. These growth factors are mitogens for cells of mesenchymal origin. The identity of the growth factor bound to a receptor monomer determines whether the functional receptor is a homodimer or a heterodimer, composed of both platelet-derived growth factor receptor a and beta polypeptides. This gene is flanked on chromosome 5 by the genes for granulocyte-macrophage colony-stimulating factor and macrophage-colony stimulating factor receptor; all three genes may be implicated in the 5-q syndrome. A translocation between chromosomes 5 and 12, that fuses this gene to that of the translocation, ETV6, leukemia gene, results in chronic myeloproliferative disorder with eosinophilia.
