

## Recombinant Human SRSF10 Protein, N-His

Catalog No: #AP97507

Package Size: #AP97507-1 50ug #AP97507-2 100ug #AP97507-3 1mg

## Description

|                |                                                                                                                                                                                                                                                                                                                                                                                                    |

| Product Name   | Recombinant Human SRSF10 Protein, N-His                                                                                                                                                                                                                                                                                                                                                            |
| Host Species   | E. coli                                                                                                                                                                                                                                                                                                                                                                                            |
| Purification   | >90% as determined by SDS-PAGE.                                                                                                                                                                                                                                                                                                                                                                    |
| Applications   | ELISA, Immunogen, SDS-PAGE, WB, Bioactivity testing in progress                                                                                                                                                                                                                                                                                                                                    |
| Other Names    | Serine/arginine-rich splicing factor 10, 40 kDa SR-repressor protein, SRp40, FUS-interacting serine-arginine-rich protein 1, Splicing factor SRp38, Splicing factor, arginine/serine-rich 13A, TLS-associated protein with Ser-Arg repeats, TASR, TLS-associated protein with SR repeats, TLS-associated serine-arginine protein, TLS-associated SR protein, SRSF10, FUSIP1, FUSIP2, SFRS13A, TASR |
| Accession No.  | O75494                                                                                                                                                                                                                                                                                                                                                                                             |
| Target Species | Homo sapiens (Human)                                                                                                                                                                                                                                                                                                                                                                               |
| Calculated MW  | 16.70 kDa                                                                                                                                                                                                                                                                                                                                                                                          |
| Target Length  | Met1-Ser121                                                                                                                                                                                                                                                                                                                                                                                        |
| Tag Info       | His-tag                                                                                                                                                                                                                                                                                                                                                                                            |
| Formulation    | Lyophilized from a solution in PBS pH 7.4, 0.02% NLS, 1mM EDTA, 4% Trehalose, 1% Mannitol.                                                                                                                                                                                                                                                                                                         |
| Storage        | Use a manual defrost freezer and avoid repeated freeze thaw cycles. Store at 2 to 8°C for frequent use. Store at -20 to -80°C for twelve months from the date of receipt.                                                                                                                                                                                                                          |

Note: This product is for in vitro research use only and is not intended for use in humans or animals.
