## Description

|                       |                                                                       |
|-----------------------|-----------------------------------------------------------------------|
| Product Name          | Conjugated PPP1CA+PPP1CB Rabbit mAb                                   |
| Host Species          | Recombinant Rabbit                                                    |
| Clonality             | Monoclonal                                                            |
| Purification          | Affinity-chromatography                                               |
| Species Reactivity    | Human Mouse Rat                                                       |
| Specificity           | PPP1CA + 1CB Antibody detects endogenous levels of total PPP1CA + 1CB |
| Immunogen Description | A synthesized peptide derived from human PPP1CA + 1CB                 |
| Conjugates            | AF Dye                                                                |
| Other Names           | PP-1A; PP-1B; PP1A; PP1alpha; PP1B; PP1beta; PPP1A; PPP1CD            |
| Accession No.         | Uniprot:P62136/ P62140                                                |
| Calculated MW         | 37kDa                                                                 |
| Formulation           | Liquid in PBS, 0.5% BSA, 40% Glycerol, 0.02% Sodium Azide.            |
| Storage               | Store at 4A Cin dark for 6 months                                     |

## Application Details

Suggested Dilution.;

AF350 conjugated: most applications: 1: 50 - 1: 250;

AF405 conjugated: most applications: 1: 50 - 1: 250;

AF488 conjugated: most applications: 1: 50 - 1: 250;

AF555 conjugated: most applications: 1: 50 - 1: 250;

AF594 conjugated: most applications: 1: 50 - 1: 250;

AF647 conjugated: most applications: 1: 50 - 1: 250;

AF680 conjugated: most applications: 1: 50 - 1: 250;

AF750 conjugated: most applications: 1: 50 - 1: 250;

Biotin conjugated: working with enzyme-conjugated streptavidin, most applications: 1: 50 - 1: 1,000;

Note: This product is for in vitro research use only and is not intended for use in humans or animals.
