

## ICAM2 / CD102 Conjugated Antibody

Catalog No: #C57049

Package Size: #C57049-AF350 100ul #C57049-AF405 100ul #C57049-AF488 100ul #C57049-AF555 100ul #C57049-AF594 100ul  
#C57049-AF647 100ul #C57049-AF680 100ul #C57049-AF750 100ul #C57049-Biotin 100ul

## Description

|                       |                                                                         |
|-----------------------|-------------------------------------------------------------------------|
| Product Name          | ICAM2 / CD102 Conjugated Antibody                                       |
| Host Species          | Rabbit                                                                  |
| Clonality             | Monoclonal                                                              |
| Isotype               | Rabbit IgG                                                              |
| Purification          | Affinity-chromatography                                                 |
| Species Reactivity    | Mouse                                                                   |
| Specificity           | ICAM2 / CD102 Antibody detects endogenous levels of total ICAM2 / CD102 |
| Immunogen Description | A synthesized peptide derived from human ICAM2 / CD102                  |
| Conjugates            | AF Dye                                                                  |
| Other Names           | CD102; CD102 antigen; ICAM 2; Intercellular adhesion molecule 2; Ly60;  |
| Accession No.         | Uniprot:P35330                                                          |
| Calculated MW         | 60kDa                                                                   |
| Storage               | Store at 4°C in dark for 6 months                                       |

## Application Details

## Suggested Dilution:

AF350 conjugated: most applications: 1: 50 - 1: 250

AF405 conjugated: most applications: 1: 50 - 1: 250

AF488 conjugated: most applications: 1: 50 - 1: 250

AF555 conjugated: most applications: 1: 50 - 1: 250

AF594 conjugated: most applications: 1: 50 - 1: 250

AF647 conjugated: most applications: 1: 50 - 1: 250

AF680 conjugated: most applications: 1: 50 - 1: 250

AF750 conjugated: most applications: 1: 50 - 1: 250

Biotin conjugated: working with enzyme-conjugated streptavidin, most applications: 1: 50 - 1: 1,000

Note: This product is for in vitro research use only and is not intended for use in humans or animals.
